

IN THE SENATE OF THE UNITED STATES.

APRIL 5, 1858.—Ordered to be printed.

Mr. KENNEDY made the following

REPORT.

[To accompany Act H. R. 212.]

The Committee on Private Land Claims, to whom was referred "An act for the relief of N. C. Weems, of Louisiana, (H. R. No. 212,) have had the same under consideration and submit the following report:

That the statement of facts in the report of the House Committee of Private Land Claims upon the memorial of N. C. Weems have been found, upon examination, to be entirely correct, and your committee concurring in the opinion expressed in the above named report, "that no claim more just could be presented for the intervention of Congress," accordingly recommend the passage by the Senate of the act entitled "An act for the relief of N. C. Weems, of Louisiana."
